This well-cared for home is so cheery and bright inside with fresh paint and gleaming hardwoods throughout! The spacious home office with glass French doors is a perfect space to work, while the dining room is a welcoming gathering space for friends or family. The light-filled kitchen and great room at the rear of the house are sun-kissed and immaculate! Upstairs, the owners suite features skylights, walk-in closets, and bathroom with freshly painted cabinets. The three additional bedrooms share a hall bath - also with updated cabinets! The finished basement features a large play/rec room, huge laundry/storage room and full bath. Outside you'll love the huge deck, backyard playset, and fire pit in the private, fenced rear yard!
